

23rd December 2008

My Dear Bishop Jerry Ogles.

Greetings in the name of our Lord Jesus Christ.

Let me first SAY TO you and all other brothers and sisters in Lord Jesus Christ, who sent their messages of condolence and encouragement when my wife went to be with Lord. I could not answer every mail therefore I am requesting you to please extend thanks from me and my sons, daughters-in-law and grand children on this worldly sad occasion. In the Lord we trust and we shall all meet again when we finish our days in this world according to the Will of Lord Jesus Christ.

Please convey Christmas Greetings to all members of AOC family. May the Lord bless them all while we celebrate His birth.

Dear Bishop Jerry Ogles
and
The entire Anglican Orthodox Communion Worldwide

**HAVE A MERRY CHRISTMAS
AND A BLESSED NEW YEAR.
May the lord bless you all.
With Love and Hope in Lord Jesus Christ.**

Yours in Lord Jesus Christ.
