

St. Georges Anglican Orthodox Church

Nova Scotia, Canada

We are having our regular mid week Lenten services every Wednesday at different homes each week. Everyone enjoys these special services and we look forward to them. Lewis prepares a special theme each year for the sermons and this year it is around the practice of giving up things for Lent. Our parish has done this for 16 years. In the past he has talked on miracles, mountains in the Bible, wells in the Bible and their spiritual meaning.
