

Anglican Orthodox Church

Dear Bishop Ogles:

Praise God from whom all blessings flow.

"Oh, bless our God you people! And make the voice of His praise to be heard. Whom keeps our soul among the living and does not allow our feet to be moved." Psalm 66, 8 and 9.

These are voices of the people of God who had just witnessed the blessings of the Lord in their daily live. Jehovah is indeed our strength and our salvation, He also sing in this part of the content.

Beloved Christians the day is coming soon when all of God's chosen few will be able to shout His blessings and salvation. His chosen people especially those in A.O.C Kenya have witnesed the blessings of God in many ways. Sometimes it is very hard to list them down all, but one blessing that we can not afford to forget is His salvation to man through the services of his servants in the A.O.C.

Last Sunday 14th September, we witnessed yet another blessings from God when he opened door for us in Kenya to have our 20th Church in a place called Kadongo in Southern part of Kisumu City. And there is plan to have another church in place called Kabete also in Southern of Kisumu on 4th October. Pray for this occassion. With these kind of programme sometimes I find it very difficult couple with financial limitations, to write so often to you though always receive your correspondence you have been sending to me. Thank you for our church calenders of 2004, the letter we have been waiting for long and already we have used it and now have our bank account in the name of A.O.C Kenya, No. 0110015191300, and the signatories are, Myself, Mr. Joash Midigo and Walter Otieno.

Again I must thank God for your prayers to some of our problems and sickness which God has answered well. Rodah Otieno who has been bed riddened for the last six months is healed and now back to her work, floods which caused much trouble to our members in Magina Church ceased and they are now okay.

Now pray for our monthly meeting with the orphans for prayer and distributions of food on 27th September at Magina Church, also pray for Rev. Joseph Moli who has been living in sin with another woman after the death of his wife and he does not seem to want to leave the woman who is not a believer. And continue praying for our annual youth congress meeting in Dec 12th - 14th.

With our Lord and prayers.

Yours Rev. E. Ojuki
