"And to the Church at (Sodom) write."

"Thus saith the LORD, Stand ye in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls. But they said, We will not walk therein." Jeremiah 6:16

Decent Christian people everywhere have been appalled to see and hear The Episcopal Church of the United States of America re-nounce the counsel of Holy Writ and approve an openly homosexual man to office of Bishop this past week at their scheduled convention. Moreover, the vote in both the House of Bishops and the House of Deputies was substantial in support of the move to repudiate Biblical morals, standards and commandments in favor of the sin of Sodom.

God has, perhaps long ago, removed the Candle from the midst of this great apostate church whose early history in America was one of fervent Biblical Truth and Order. How far have ye fallen, O prideful Daughter! ECUSA has now embraced an immorality which could not be breathed in polite company only a few decades ago. The slide into the abyss has accelerated with the casting off of the underpinnings of the church found in the Thirty-Nine Articles of Religion, the Creeds and Homilies, the 1928 Book of Common Prayer, and the Holy Bible itself. Yet, this aberration wishes to be called 'Christian.' Why? . perhaps to take away her shame and reproach. In the fourth chapter of the Book of Isaiah, verse 1, we read:

"And in that day seven women shall take hold of one man, saying, We will eat our own bread, and wear our own apparel: only let us be called by thy name, to take away our reproach"

The modern Church of Sodom is much like those seven ladies (churches of Revelations 1). She wants to be called by the name of Christ yet she does not desire the Bread of Heaven or His White Robe of Righteousness. She will eat her own bread (doctrine) and wear her own apparel (lifestyle), only, allow her to appropriate the name of Christ to herself to take away her shame and reproach.

There can no question about the Will of God where homosexuality is involved. His Word clearly and strongly condemns this abomination. (see Leviticus 18:22-30 and Romans 1 just for starters). Knowing the Will of God and His prohibition against this shameful sin, ECUSA has laughed in the face of God and gone the way of all flesh. "Be not deceived, God is not mocked." Gal 6:7. There will be an eternal price to pay for this abject apostasy. "Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness." Isaiah 5:20

ECUSA, by their continuing tolerance toward immorality, are clearly teaching another Gospel from that which Christ delivered unto His people. Those who remain, in spite of this apostasy, are judged guilty of the sins of the "harlot which sits upon many waters." Galatians 1:6 - "I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel."

I admonish every believer who remains in the City of Sodom to flee the evil which shall surely come upon it with the mighty and outstretched Hand of Judgment. Be not partakers with her of her sins. Flee to the Haven of Hope and Righteousness found only in the Word of God and upheld by His Holy Church. Seek ye out the 'old paths wherein your fathers walked' and you shall be satisfied and justified at the last day. Flee before your consciences become unfeeling as if seared with a hot iron. When your soul is calloused and unfeeling, how can the Holy Spirit call you back to righteousness. for your ears will no longer hear and your eyes no longer see.

Compromise no longer with the Woman which rides the Beast. Can thinking Gentlemen and Women continue to abide the wickedness of sexual sin and perversion. Can they continue to encourage their young children to place their faith in a Church which has openly abandoned God? You be the judge for if you do not, God will certainly be.

In Christ,
+JERRY L. OGLES
Bishop of the United States
