

"He that hath an ear, let him hear what the Spirit saith unto the churches; To him that overcometh will I give to eat of the hidden manna, and will give him a white stone, and in the stone a new name written, which no man knoweth saving he that receiveth it." Revelations 2:17

Dear Friends and Family:

I take great pleasure in reporting to you of many recent successes for our Church and the Cause of Christ. These victories have not come through any great labors of our own hands or through the wise planning of our staff, but through the effulgent blessings of our great Redeemer and Lord. He has strengthened our hand and placed our feet on a firm foundation.

On September 2, 2005, I will be traveling to Halifax, Nova Scotia to meet with interested Christians who are seeking affiliation with a traditional Anglican jurisdiction. Their fine priest, the Rev. Lewis How, has already accepted affiliation with us and is being helpful in the re-establishment of our seminary and also in publishing a church news digest. He is quite talented, well read, and, above all else, a devoted man of God.

Shortly after the first of the year, we will again be traveling to the Islands of the Philippines to encourage and work with our dedicated churches there. If any would like to accompany us on that voyage, please let Betty Hoffman know and we will set it up for you.

Our church in Virginia, the Church of the Good Shepherd, is off to a grand start and has a very godly rector in the Rev. Larry Morrison.

Last month I visited with our friends in Vicksburg, Mississippi who are considering coming with us, and other contacts in diverse places for the same purpose. We have inquiries from different quarters almost day by day.

If any are interested, we have a video presentation of our Church in DVD or VHS format. Please call the office to order.

May we be faithful in continuing the work begun by our beloved Bishop Dees in 1963 to the glory of God. Amen

In Christ,
Jerry L. Ogles
